

Cost and Registration

Registration: to register for any of the classes or to schedule an appointment for a skills evaluation call (352) 671-7219 and ask for Fran Kelchner or leave a message. Please bring a photo I.D. with you; you will need to check in at the front desk in the main building to get a visitors pass.

Basic Life Support for Healthcare Provider classes:

Fee: \$50.00-this includes the student workbook and the certification card

Class length: approximately 4.5 hours

Heartsaver First Aid with CPR and AED:

Fee: \$40.00 this includes the student workbook and the certification card

Class length: 5-7 hours

Students may choose to take only the CPR portion or only the First Aid portion of this class if they don't need both modules. Please let the instructor know when you are registering if you will only be completing one module. The fee is the same.

Skills Evaluation:

We offer skills evaluation for the Basic Life Support for Healthcare Providers and the Heartsaver courses. The fee for all courses is \$25.00. We can only do skills evaluation on American Heart Association on line classes. Please make sure that you bring a copy of the certificate from the on line course. Skills Evaluations are scheduled by appointment only.
