

**2017-2018 Financial Aid Award Application
For High School Seniors
Deadline: May 15, 2017**

The Marion Technical College Financial Aid Award is designed to give financial assistance to a Marion County High School senior who enrolls into a Marion Technical College certificate program.

It is understood that the recipient of the Marion Technical College Financial Aid Award will meet the following criteria:

- Applied for admission to a Marion Technical College program by May 15, 2017.
- Have a minimum 2.5 GPA.
- All students are eligible to apply, however, preference will be given to students in a Career and Technical Student Organization
- Exhibit financial need based on a completed FAFSA filed at www.fafsa.gov using school code: 031039.

Applications will be evaluated on the basis of academic performance, leadership, professional potential and financial need. Recipients will be selected in the spring and awarded for the fall and spring semesters.

Application must be accompanied with the following documentation:

1. Official High School transcript.
2. A resumé listing/detailing your Career & Technical Student Organizational involvement and achievements (optional – list can be made on back of form).
3. Two letters of recommendation attesting to the student’s aptitude in the selected course of study.
4. Typed essay of 350-500 words on “Why I chose this career path.”

Please complete the following information and submit with the required documents:
