

MARION
TECHNICAL COLLEGE

STRUCTURAL COLLAPSE RESCUE OPS/Level I

PRE-COURSE INFORMATION

Course Location: Florida State Fire College
11655 NW Gainesville Road, Ocala, FL 34482

Course Dates: November 14th – 18th, 2022

Course Hours: 40 hours

Course Times: 8:00 a.m. – 6:00 p.m.

Course Description: Structural Collapse Level I is a course designed to train the rescuer operating in a collapsed building of light construction. This course meets or exceeds NFPA 1006 Chapter 5, & 9.1. The student will be trained on: scene size up, building marking techniques, victim identification and removal, building stabilization, breaching/breaking and moving heavy loads. Emphasis will be placed on victim/ rescuer safety, light weight construction and the utilization of basic hand tools to achieve course objectives.

Course Prerequisites: Rope Rescue Level I from an accredited agency.

Course Dress Code: Students are representatives of their organizations and are to dress accordingly. Classroom attire is: long pants, closed-toe shoes, and acceptable shirt. Field attire is mentioned below.

Logistical: Training will begin at 8:00 a.m. and end at 6:00 p.m. Please do not plan to leave campus before 6:00 p.m. Structural Collapse Level I is highly technical and advanced training; therefore, students will be expected to attend the entire course. The majority of the class will be held outdoors.
