

PUBLIC SAFETY PROGRAMS OUTLINE

Firefighter/Emergency Medical Technician (Combined) program provides the training required for students to become certified Firefighters as well as licensed Emergency Medical Technicians. This accelerated program offers a sequence of courses that provides coherent and rigorous content. Course provides technical skill proficiency, includes competency-based applied learning that contributes to the academic knowledge, higher-order reasoning, problem-solving skills, work attitudes, general employability skills, technical skills and occupations-specific skills. BLS CPR is included.

Classes offered January, March, July & September (792 Hours) 21 weeks

Firefighter program is designed to prepare each student for employment as a Firefighter upon successfully completing the program and passing the Minimum Standards Examination of the Florida Bureau of Fire Standards and Training (written & practical). The program provides both classroom theory and hands-on, practical training to prepare students for the fire service. Includes Wildland and Forestry. Those who do not have Emergency Medical Technician or First Responder will not receive their State certification until they complete a program. BLS CPR Card is required.

Classes offered January, March, July & September (492 Hours) 12 weeks

Firefighter II (Only) will present information on the following:

Fire department communications, building construction hazards and structural collapse, maintenance of electric generators and lighting equipment, service testing fire hose, firefighting foam, coordinating fire ground operations, advanced origin and cause, fire protection systems, conducting private dwelling fire safety surveys, Florida Statewide Emergency Response Plan (SERP), air monitoring, new challenges for firefighters, and firefighter safety and survival. Includes HAZMAT. Those who do not have Emergency Medical Technician or First Responder will not receive their state certification until they complete a program. CPR Card is required/Submit Volunteer Firefighter I Certificate of Completion required

Classes offered February, May, August & October (192 Hours) 7 weeks

Emergency Medical Technician "Accelerated program" will prepare students for certification as EMT's in accordance with Chapter 64J of the Florida Administrative Code. Program is geared towards certified Fire Fighters who need to get their Emergency Medical Technician certification. **Unlike other programs, our program emphasizes physical fitness and is fast paced.** PT is a part of this program and students must participate. CPR is included. CPAT test not required for this program.

Classes offered January, April & July & October (300 Hours) 9 weeks

ALL programs are day classes, Monday – Friday, 7am – 5pm. Training is held at the Florida State Fire College facility: 11655 NW Gainesville Road, Ocala, FL 34482. Call (352) 369-2875 to request a tour.

CPAT at NTN

National Testing Network provides convenient, professional administration of the Candidate Physical Abilities Test (CPAT) for firefighter candidates. Results are available for instant verification by any Network department.

National Testing Network provides the Candidate Physical Abilities Test (CPAT) according to the International Association of Fire Fighters (IAFF) standards. These standards require candidates to be offered the opportunity to attend a CPAT Pre-Test Program. The Pre-Test Program includes two (2) CPAT Orientation sessions within the eight (8) week period preceding a CPAT test and two (2) timed practice runs of the CPAT within the 30 days prior to the test. These opportunities are optional but available to every candidate. The National Testing Network is committed to providing the CPAT in accordance with this agreement.

Candidates may choose not to participate in the mandatory/required orientations or practice tests, but will be required to sign a waiver acknowledging that these preparations have been offered.

The purchase of a CPAT test includes two (2) optional CPAT Orientation sessions. CPAT Orientation sessions last approximately 30 minutes. CPAT Practice Tests are also available for purchase and include an actual timed run of the CPAT. If the department you are testing for provides vouchers, they will cover varying amounts of these costs. You will be asked for your voucher information at the checkout screen. For pricing information please visit the Test Pricing page.

Each certified department decides what CPAT results they will accept. IF YOU HAVE COMPLETED A CPAT AT A TESTING CENTER OTHER THAN NTN, you must contact the departments on your list to confirm that they will accept your CPAT results.

Your exam results will be posted in your online account page within 3-5 business days after you complete your exam.

ACKNOWLEDGMENT AND WAIVER OF CPAT PRE-TEST PROGRAM

National Testing Network provides the Candidate Physical Abilities Test (CPAT) according to the International standards. This requires that candidates have the opportunity to participate in a pre-test program including two CPAT Orientation sessions within the eight week period preceding a CPAT and two timed CPAT Practice Tests within the 30 days prior to the test.

Orientations are provided to give candidates time to prepare themselves for the CPAT. Orientations give candidates information regarding the test to maximize their probability for success. During these sessions, the candidates view the CPAT Orientation video to gain exposure to each of the eight CPAT events, receive a walk through of the course with hands-on exposure to the CPAT equipment and receive information on conditioning programs and techniques to help prepare for the test. The CPAT Orientation provides an opportunity for each candidate to view and try each test event, talk with instructors and physically examine test equipment, tools and props in a controlled and consistent setting. Candidates are directed to familiarize themselves with all elements of the test. The charge for taking the CPAT administered by National Testing Network includes two Orientation sessions and related materials. There is no reduction in charges if a candidate decides not to attend an Orientation session.

CPAT Practice Test sessions are designed to allow candidates to work one-on-one with a proctor on specific events on which the candidate may need extra assistance. During each session, the candidate will have the opportunity to perform timed practice runs of the CPAT. Practice sessions cost an additional fee of \$45.00 each.

Note: Successfully completing the events in a practice session is no guarantee that the candidate will pass the actual test.

You, as a candidate, may choose to take the Candidate Physical Ability Test without participating in the mandatory/required CPAT Pre-Test Program. In order to do so, you must agree to the following:

What to Expect upon Arrival

It is important to be on time for your scheduled events. The National Testing Network will be continuously running candidates through the testing process. Candidates who show up late will NOT be allowed to participate in their scheduled events. Arriving late to the CPAT will constitute a Fail and payment will not be reimbursed.

Please note that any candidate exceeding the stepmill weight limit of 276 pounds will not be allowed to test due to safety concerns. You will not receive a refund for this purchase if you are not allowed to test due to the weight limit.

CPAT Forms

Upon arrival, you will be required to show a valid government issued photo ID and sign a number of forms before Orientation Sessions, Practice Tests or the CPAT. At each scheduled session, you will begin by completing the Sign-In Form and the Waiver of Claim for Injury Form. If you are there to participate in the CPAT and have not completed the CPAT Pre-Test Program within the recommended time frames, you will also complete the Waiver of CPAT Pre-Test Program Form. At the conclusion of the CPAT, you must sign the CPAT Evaluation Form. Additionally, prior to leaving the rehabilitation area, you must complete and sign the Rehabilitation Form. If you fail to complete and sign any of these forms you fail the CPAT. All of these forms will be provided by the National Testing Network.

Once you have checked in with valid ID and signed the appropriate forms, you will participate in your scheduled event.

What to Bring

You will be required to present a valid government issued photo ID (Driver's License/State ID Card, Military ID, Passport or Visa) when you sign in at both the

10. Next you will be given the option to schedule any CPAT orientations.

The screenshot shows the CPAT Scheduler interface. At the top, a progress bar indicates the current step is 'Orientations', with 'Welcome', 'Waiver', 'Practice Tests', 'Final Exam', and 'Review' as previous steps. Below the progress bar is a 'BACK TO WAIVER' button. The main content area asks 'Would you like to schedule CPAT Orientations?' and notes 'Each Orientation session lasts approximately 30 minutes.' Two buttons are provided: 'YES, SCHEDULE AN ORIENTATION' and 'NO, SKIP SCHEDULING ORIENTATIONS'. An arrow points to the 'YES' button.

11. Use the dropdown menus to select a state and the test center location. Once these are selected, the calendar will automatically populate with available dates and times; you may use the calendar button or the left/right arrows to navigate the schedule. After identifying your preferred date, click on a specific time slot to make your selection, and then click Confirm Selection to continue.

The screenshot shows the CPAT Scheduler interface for scheduling an orientation. At the top, a progress bar indicates the current step is 'Orientations'. Below the progress bar is a 'BACK TO WAIVER' button. The main content area asks 'Would you like to schedule CPAT Orientations?' and notes 'Each Orientation session lasts approximately 30 minutes.' Below this, there are two dropdown menus: 'Select State/Province' (set to 'FLORIDA') and 'Test Center Location' (set to 'Jacksonville - Fire Academy of the South - CPAT'). Below the dropdowns, there is a text box with the address '2700 Firefighter Memorial Drive Building W-1 Jacksonville, FL 32246' and a link to 'sugeng@orientationtest.com'. Below the text box, there is a 'Select a Date:' label with a calendar icon. Below the date selection, there are left and right arrows to navigate the calendar. Below the navigation arrows, there is a 'Morning Sessions' section with a dropdown menu showing '08:00 AM' selected. At the bottom, there are two buttons: 'BACK' and 'CONFIRM SELECTION'. Arrows point to the 'FLORIDA' dropdown, the 'Test Center Location' dropdown, the calendar icon, the date navigation arrows, the 'Morning Sessions' dropdown, and the 'CONFIRM SELECTION' button.

2026 CPAT Scheduler Guide

12. Next, you will be given the option to schedule additional orientations. If you wish to add more, click **Yes, Schedule Another Orientation** and repeat the previous steps; otherwise, click **No, Done Scheduling Orientations** to finalize your schedule.

The screenshot shows a progress bar at the top with six steps: Welcome, Waiver, Orientations, Practice Tests, Final Exam, and Review. The 'Orientations' step is currently active, indicated by a filled circle. Below the progress bar, there are two buttons: 'BACK TO WAIVER' on the left and 'START OVER' on the right. The main content area asks 'Would you like to schedule another orientation?' and provides information that each session lasts approximately 30 minutes. It lists a 'Scheduled Orientations' entry for 3/23/2026 at 8:00 AM at Jacksonville - Fire Academy of the South - CPAT. At the bottom, there are two buttons: 'YES, SCHEDULE ANOTHER ORIENTATION' and 'NO, DONE SCHEDULING ORIENTATIONS'.

13. Once you have finished scheduling all orientations, you will be given the option to schedule practice tests. For the purposes of these instructions, we will demonstrate the process by selecting **Yes, Schedule A Practice Test**. Otherwise, you may skip.

The screenshot shows the same progress bar as the previous screen, but now the 'Practice Tests' step is active, indicated by a filled circle. The 'BACK TO ORIENTATIONS' button is now on the left, and the 'START OVER' button is on the right. The main content area asks 'Would you like to schedule Practice Tests?' and provides information that CPAT Practice Tests are \$45.00 per session and that testing location fees may apply. It also notes that because of the physical demands of the test, NTN suggests not scheduling a Practice Test and CPAT on the same day. At the bottom, there are two buttons: 'YES, SCHEDULE A PRACTICE TEST' and 'NO, SKIP SCHEDULING PRACTICE TESTS'.

2026 CPAT Scheduler Guide

14. You will follow a process similar to the one used for orientation scheduling; however, because all CPAT components must be completed at the same facility, the State (Florida) and Test Center Location (Jacksonville - Fire Academy of the South) will be pre-selected for you. Simply navigate the calendar to identify your preferred date, click on a time slot to make your selection, and then click Confirm Selection to proceed.

The screenshot shows the 'Practice Tests' step in the CPAT scheduler. At the top, a progress bar indicates the sequence: Welcome, Waiver, Orientations, **Practice Tests**, Final Exam, and Review. Below the progress bar are buttons for 'BACK TO ORIENTATIONS' and 'START OVER'.

The main heading is 'Would you like to schedule Practice Tests?'. Below this, a note states: 'CPAT Practice Tests are \$45.00 per session. Testing location fees may apply. Because of the physical demands of the test, NTRI suggests that you not schedule a Practice Test and CPAT on the same day.'

The 'Select Test Center' section contains a message: 'Orientations, Practices and Exams must be scheduled in the same location.' It features two dropdown menus. The first, 'Select State/Province', is set to 'FLORIDA'. The second, 'Test Center Location', is set to 'Jacksonville - Fire Academy of the South - CPAT'. Below these is a detailed box for the selected location: 'Jacksonville - Fire Academy of the South - CPAT' and 'CPAT'. A note at the bottom of this box provides an email address for scheduling a mentoring session.

The 'Select a Date:' section includes a calendar icon. Below it, the text 'Select time for 3/23/2026' is displayed. Under 'Morning Sessions', there are four time slots: '09:00 AM', '09:30 AM', '10:00 AM', and '10:30 AM'. The '10:30 AM' slot is selected, indicated by a checkmark.

At the bottom, there are two buttons: 'BACK' and 'CONFIRM SELECTION'.

Arrows on the right side of the form point to the 'FLORIDA' dropdown, the 'Jacksonville - Fire Academy of the South - CPAT' dropdown, the calendar icon, the '10:30 AM' time slot, and the 'CONFIRM SELECTION' button.

15. The next page will show your scheduled practice test and give you the opportunity to purchase more practice tests. You may add more, or select No, Done Scheduling Practice Tests

The screenshot shows a web interface with a progress bar at the top: Welcome, Waiver, Orientations, Practice Tests (active), Final Exam, Review. Below the progress bar are buttons for "BACK TO ORIENTATIONS" and "START OVER". The main heading is "Would you like to schedule another practice test?". Below this, it states: "CPAT Practice Tests are \$45.00 per session. Testing location fees may apply. Because of the physical demands of the test, NTN suggests that you not schedule a Practice Test and CPAT on the same day." A section titled "Scheduled Practice Tests" shows a table with one entry: "3/23/2026, 10:30 AM" and "Jacksonville - Fire Academy of the South - CPAT". Below the table, it says "Total practice test fees: \$45.00". At the bottom are two buttons: "YES, SCHEDULE ANOTHER PRACTICE TEST" and "NO, DONE SCHEDULING PRACTICE TESTS".

16. The next step is to schedule your CPAT exam. The State and Test Site location are already pre-selected. Navigate the calendar to select your preferred date and time for the test. Click Confirm Selection to continue.

The screenshot shows a web interface with a progress bar at the top: Welcome, Waiver, Orientations, Practice Tests, Final Exam (active), Review. 18. On the Check out Page, you can review all items in this purchase. Use the up/down arrow to expand the list and show all items.

The screenshot displays the checkout interface for the 2026 CPAT Scheduler. It is divided into two main columns. The left column contains the 'Order Summary' and 'Voucher' sections. The 'Order Summary' section is currently collapsed, showing only the 'Total: \$200.00'. An arrow points to the expand/collapse icon (an upward-pointing arrow) next to the 'Order Summary' header. The 'Voucher' section is also collapsed. The right column is titled 'Secure Payment' and includes a security notice, payment method options (Card and Amazon Pay), a 'Refund Policy' section, a checkbox for agreeing to terms and conditions, and a 'COMPLETE PAYMENT \$200.00' button.
